

Product Specifications

70ESN245ND6

INLINE CORDED NUTRUNNER
61 - 245 Nm (45.7 – 180.7 ft-lbs)

INLINE - 70 SERIES

The NeoTek™ fastening system is the next generation of smart tool solutions. The lightweight, ergonomic design along with fully programmable features such as the high-output LED light rings, audible alerts, and handle vibration all create a better user experience that leads to decreased operator fatigue and increased productivity.

FEATURES

- Repeatability & accuracy with 2.0 Cm/Cmk at +/- 7%
- 21% lighter (tool/cable system) than existing tool family
- Digital communication for reliable performance
- Internal temperature monitoring
- Configurable LED light rings
- Data logging with on-board tool memory
- Preventive maintenance alerts
